Tentative list of maps

(a) A locational map of each sector at ca. 1:500,000 (probably a half tone reproduction of a foreign map with boundary stressed and limit of border zone shown) - to be bound into the text at first of each regional section.

25X1C

(b) Complete topo. coverage for frontier zones at ca. 1:100,000 with known, [REDACTED] plotted on in ink. (1-3 copies to be provided). One copy for each study bound with report.
